

News From The Summit

Work Days

May 14-30: Someone will be at Camp during this entire time except for Sunday mornings. Come for part of the time or all of the time. We will be working on some major projects, minor projects, and just stuff. Meals and lodging will be provided. Please call if you would like to join us.

All Saturdays: If you would like to come for part or all of the day, someone will be there!

If you or a group you are a part of would like to come to Camp and help with the work there, please call. Scheduled work days don't always work for everybody. There is much to be done and many hands really do make light work!

Spring, 2005

Summer Camp Director

Ben Slocum has been appointed by BCM as Interim Director at Camp for the Summer Program. He has been at Camp for the past four years as Maintenance Director. His wife, Patti, will still head up the Kitchen. Both are planning to attend Candidate School in the fall. Please pray for wisdom as they seek to do God's will to reach Campers for Christ.

Winter Retreat Report

We praise the Lord. As the last of the snow melts off Camp, we remember the laughter of the children during the winter retreats. Again, we thank all those who worked to install insulation and heat in the Chapel and Dining Hall. We thank God for His provision in people and funds from His people that allowed these retreats to be possible. The numbers for a couple of them were not high (though the Teen Retreat had us running out of bed space!), but He knew who should be there and we witnessed decisions for Christ and lives rededicated to Him. Please pray for next years Retreats and for the funds and workers to finish winterization of the

Gym/Chapel complex and the Bathhouse.

Please Pray For Camp The Winterization Project

With a heated Holman Lodge, Chapel, and Dining Hall, Camp can now operate year round. We are currently sealing up the area between the Chapel and Gym to allow the Game room, Store, and Cabin there to be usable in the cold. Our Bath House has insulation in about $\frac{3}{4}$ of the walls and still needs the ceiling done. Please pray for this project as we work to make Camp usable all year.

New Nurse's Facility

Plans are currently in the architect's hands. When we get them back, they can be submitted to the building and health inspectors, a permit issued, and work can start. We thank God that the nurse's trailer made it through the winter and, though it will need some work, should be able to serve one more season. Please pray for the project. We are trusting God for the laborers and funds that will make this project a reality. Are you being moved to help?

Camperships

Each year there are kids that would benefit from a week at Camp and their families simply do not have the funds to send them. We encourage individuals and churches to send a camper to camp by providing the funds for them and call them Camperships. To find out more on how you can help in this way, please contact Camp.

Bliss Summit Ministry Team

The team has been a bit busy since our opening day on April 3rd. We are scheduled solid through May with the exception of Mother's Day. We have one Sunday that finds us at one church for the A.M service, another for the P.M. service followed by a Wednesday night service at a third. We praise God for the churches that are willing to have us in, the teens that are willing to give of themselves to do this, and for the response we have been getting. Please pray for continuing safety as we travel and that God will use the team to bring glory to Himself. To find our more about Ministry Team, please contact Camp.

Serving at Camp

Camp exists and ministers in part due to people like you who are willing to give of themselves and serve the Lord. For information on how you can help in the ministry at Camp, please contact us.
